

## Our Mission . . .

Oswegoland Park & Recreation Foundation supports the mission of the Oswegoland Park District to effectively and responsibly:

...plan, acquire, develop, maintain and preserve parks, facilities, and natural and historic areas.

...provide diverse, accessible, high quality services and programs.

...provide our community with opportunities to play, gather, celebrate, learn, and enjoy nature.

...provide the leadership, staff, and volunteers with the resources and environment to create a park district that reflects the spirit of our community.

*We do not inherit the environment from our ancestors...we borrow it from our children.*

*Native American proverb*

## How you can help . . .

Since the Oswegoland Park District was established in 1950, many gifts to the District have brought joy and beauty to our citizens.

Much of what we enjoy today was made possible by people who wanted to ensure that future generations would continue to enjoy our valuable natural resources.

Leave a legacy, large or small, and contribute to the quality of life in Oswegoland for years to come.

### Consider the possibilities

- \* Because you care about open space and securing the beauty of our natural environment, consider a **tax-deductible personal or corporate contribution** to the Oswegoland Park & Recreation Foundation.
- \* Because you want to help assure that future generations will enjoy the green of open space, consider **bequeathing land, property, cash, or securities**.
- \* Because you value family and community, consider leaving a lasting memorial by purchasing an **engraved brick paver** to be placed in Hudson Crossing Park.
- \* Because you understand that all kids should have the opportunity to benefit from park district programs regardless of family financial situation, consider donating to the Foundation's **Families Helping Families** Program Assistance Fund.
- \* Because time is a precious gift, consider **volunteering** to help the Foundation accomplish its goals and missions.
