

Friends of the Parks

The Oswegoland Park Foundation is an organization with purpose and clear direction, and we need your help! Established in 2005 as a 501(c)(3), the Park Foundation assists the Oswegoland Park District in enhancing and preserving our current parks, trails, and natural areas while focusing on acquiring additional open space for public use beyond what tax dollars can support.

Join this grassroots community effort to preserve our natural areas for future generations.
