The number of teams and roster sizes are designed to provide quality participation time and maximum benefits to all players.

IV. Schedules

1. Game schedules will be created and maintained by the OPD staff. There will be 2 weeks of practice prior to the season beginning, with practice continuing throughout the season. Practice and game schedules can be viewed at www.teamsideline.com/oswego
V. Games

1. Each game consists of four eight minute quarters. The clock will be stopped and substitutions will be made at the four minute mark of each quarter. The game clock will run continuously, stopping only when a team calls timeout, when a player is injured, or when coaches make substitutions at the four minute mark. (Please note this rule has been amended for 1st/2nd grade boys 2016. Please see 1st/2nd grade rules for details).

2. Between each of the quarters there will be a one-minute timeout. Half time will be four minutes.

3. Each team is allowed to call a one minute time out per half.

4. Substitutions may only be made at the designated minute mark of the quarter or when a player is injured.

5. Playing time should be distributed as evenly as possible by the coaches.

VI. General Playing Rules (All Divisions)

1. A jump ball shall be used to start all games Kindergarten through 8th grade. For all other jump ball situations, teams will use alternating possession, kept by the referees, with the ball restarting out of bounds.

2. When a foul/infraction is called, play is resumed by inbounding from the sideline, nearest to the point of the foul/infraction.

3. Full court presses are not allowed in Kindergarten through 6th grade divisions. Once the defensive team has control of a rebound or loose ball, the offensive team must drop back to their defensive half of the court. 7th/8th grade division is allowed to press only during the last two minutes of each half (2nd & 4th quarters).

4. Fast breaks are not allowed in Kindergarten and 1st/2nd grade divisions. The offensive team must allow the defensive team to retreat to their defending half and get in defensive position. The 3rd/4th grade division is allowed to fast break the last two minutes of the 2nd and 4th quarter of each game. During the rest of the game, the offensive team must allow the defense to retreat to their defending half and get in defensive position. The 5th-8th grade divisions are allowed to fast break at any time. However, fast breaks should be limited.

5. If the referee calls a technical foul against a player or coach, the other team will be allowed two foul shots and will then retain possession of the ball from the sidelines. Any coach or player who receives two technical fouls during a game will be immediately dismissed from the current game and will not be permitted to participate in the next scheduled game. Coaches that are dismissed will be asked to
leave the gym immediately. Players may stay in the gym till the game has ended but must be seated in the stands at a sufficient distance from the game and their team.

6. Coaches must stay on their side line and not be under the basket along the end line. For Kindergarten games, one coach from each team is allowed on the court to assist the players. The coaches are there to instruct and are not to touch the ball and should try to remain in a position so as not to interfere with the action on the court.

VII. Kindergarten Rules

1. Infractions will be called loosely at the discretion of the court monitor assigned to your game. Coaches are responsible for assisting players with transition, substitutions, etc. but the court monitor will be making violation calls. Violations do not result in a turnover: the violating team retains possession of the ball.

2. In jump ball situations, possession will alternate. The court monitor will keep track of which team gets possession.

3. Court monitors will not keep track of individual fouls for Kindergarten. A player cannot foul out. However, if a player is being overly aggressive and perpetually fouling, the coaches and court monitor have the authority to sit that player from the game for an appropriate amount of time and provide an explanation for the child. Free throws will not be taken.

4. When the ball goes out of bounds, the court monitor will rule who gets possession. The team takes possession of the ball out of bounds at the point of exit unless directly under the basket in the offensive zone. In this case the ball is moved to one side so as not to be impeded by the basket.

5. Defensive players may play defense out to the free throw line, extended from sideline to sideline. Defensive players cannot guard offensive players beyond this area.

6. Man to man defense must be played. Players will match up according to wrist band color. Players may “show and help” if an offensive player moves past their defender, but once the original defender returns, the help defender must go back to their own player. Players should practice hands up defense emphasizing moving their feet without “hugging” their opponent.

7. Defenders may not steal the ball from an offensive player who is dribbling or holding the ball outside of the lane. Once a player has one foot inside the lane area, the ball can be stolen. Focus on defensive fundamentals.

8. Loose balls can be “stolen” by the defending team. Focus on defensive fundamentals.

9. Players may not intercept passes that are being made from one offensive player to another outside of the lane. If a pass goes into the lane or across the lane it may be intercepted.
10. Blocked shots are only allowed when a defensive player is between their player and the basket, in proper defensive position with both feet on the ground and their hands extended straight up above their head. No blocks from behind or the side are allowed. Defenders are not allowed to leave their feet to block a shot.

11. All defensive violations will result in a stoppage in play and the ball being returned to the offense with a restart out of bounds adjacent to where the violation took place. The defensive restrictions are put in place to emphasize the importance of moving your feet on defense.

12. No fast breaks are allowed at this level.

13. Teams may not full court press. Once the defending team gains control of a rebound the opposing team should retreat to the lane on their side of the court.

14. Kindergarten will play with a junior size ball and the rim is set at 8’, playing a 3 v 3 format.
