May 2019

Dear Parents,

Welcome to Kid’s Connection! Kid’s Connection is a recreational before and after school program for kindergarten through fifth graders offered in cooperation with School District 308. It is implemented by the Oswegoland Park District.

Kid’s Connection was designed to meet the needs of parents and children outside of school hours. Research has indicated that student participation in a before and after school program is beneficial to their academic development and social adjustment. Children will be able to build new friendships and create school-age memories. Our staff plans daily activities based on the needs and interests of the children, giving them time to discover, learn, play, and explore.

Our caring staff enjoys working with school-aged children and are screened and approved through the Park District. The Kid’s Connection staff attends monthly trainings on topics relevant to the Kid’s Connection program. The staff also adheres to the mission statement and values of the Oswegoland Park District.

Thank you for choosing the Oswegoland Park District Kid’s Connection program. The Kid’s Connection staff is excited to have you join the fun!

Kid’s Connection is committed to providing a safe, nurturing environment where children can develop their natural joy and enthusiasm for learning, exploring, and creating.

Professional staff will plan a variety of activities that will provide opportunities for children to learn about themselves and the world around them. Kid’s Connection is:

- a place where a higher level of thinking is encouraged and being a child is nurtured
- a program in which teamwork and social interaction are the basics
- a community where the courage to try is celebrated and the desire to succeed is supported
- an opportunity for children to grow through accomplishment and respect

Our focus on relationships and providing children with opportunities to learn, grow, and discover themselves is at the heart of the Kid’s Connection philosophy. Our attitude and approach to everything we do focuses on creating a warm, welcoming environment in which kids can be themselves without fear of judgment and in which each child belongs. Our child centered philosophy creates a supportive atmosphere where participants develop skills and values to last a lifetime.

**IN PERSON** - Parents are welcome to visit the site at any time, however, during Kid’s Connection time the staff may not be able to talk at length with you. Please speak to the site supervisor to make an appointment if an extended conversation is desired.

**PHONE** - You can contact your child’s site supervisor by phone. See page 16 for site phone numbers.

**SITE COMMUNICATION LOG** - Kid’s Connection has a communication log for any information or messages a parent may have regarding their child’s attendance or other changes/concerns/needs. A written record ensures that all staff are informed. Please feel free to speak to a supervisor should you have information of a more personal or confidential nature.

**WEBSITE** - The Park District’s website, oswegolandparkdistrict.org is a good place to find menus, field trip details, and other site information.

**FACEBOOK** - Follow facebook.com/oswegolandkidsconnection to see photos of our activities.

**WHITE BOARD** - Each site has a white board on the sign-in table with information about the day, including menus and activity details.
Kid’s Connection staff creates engaging activities designed for fun, safety and to develop higher thinking. The children are given the time to discover, learn, and explore through enriching activities:

- Homework Time
- Large Motor & Outside Play Time
- Science Projects
- Exploration
- Life Skill Activities
- Educational & Recreational Activities
- Large & Small Group Play & Projects

The activities will be conducted in a setting in which:

- Activity areas, equipment, and materials will be arranged so the children are visible to the supervising staff
- Children will be provided with limits, choices, and the opportunity to play in a safe manner
- The program shall be modified when there are extremes of temperature, or when the facilities or materials become temporarily unavailable

Students meet in the school cafeterias at most District 308 elementary schools. If your child’s school does not meet a minimum daily attendance to open their school site, Kid’s Connection will make every effort to transport them to and from an alternate elementary school for care.

The Kid’s Connection program is available from 6:15am until the beginning of class and from the end of class until 6:15pm, Monday through Friday, including full days off school and some holidays.

We hope to keep the child to staff ratio at 10:1 or better. It should never go higher than 15:1 unless there is an emergency.

You must enter the building and sign your child in or out daily. The staff cannot dismiss a child without a parent or guardian coming in to sign the child out. If anyone other than the parent or guardian is picking up a child, that person must be authorized to do so on ePact and have an account with the Oswegoland Park District on Active. A picture ID will be checked.
If your child has a dietary restriction, indicate that on your child’s ePact account. If the allergy is life-threatening you will also need to fill out an Allergy Packet and upload it to ePact. Menus will be posted for parents to review and are also available online at oswegolandparkdistrict.org. Breakfast and snack will be provided by Kid’s Connection. Lunches are available on days with no school. We ask that you bring a lunch on early release days.

Please do not send items from home. Oswegoland Park District is not responsible for lost, stolen, or broken items.

Transportation for field trips and short outings will be on either a Park District Activity Bus or an SD308 bus. Please review the following rules for travel.

• Passengers will remain seated at all times, facing the front of the vehicle and wearing seat belts. Your child will have assistance buckling their seat belt on an Oswegoland Park District activity bus before departure.
• No eating or drinking is permitted
• Excessively loud, noisy or distracting behavior is not permitted
• Personal belongings must remain in book bags
• Doors will be opened and closed only by the driver or by another designated staff person

Oswegoland Park District is a member of the Fox Valley Special Recreation Association (FVSRA). FVSRA provides recreational opportunities for children with mental, physical, or emotional disabilities. In partnership with FVSRA our staff will make every effort to provide children with disabilities the accommodations they require to participate in our program. Please indicate any special needs under the medical portion of the registration form. For more information about FVSRA please visit FVSRA.org or contact Oswegoland Park District.

If your child will be absent and it is unplanned, please notify us by calling the Kid’s Connection site. Please notify the staff in advance of all planned absences. There are no credits issued for absences or vacations.

In order for Kid's Connection to best serve your family, we ask for consistency in your child(ren)’s schedule. We understand that this may look different for each family, but a schedule that is the same each week or alternating weekly is desired. If you have any questions, contact the registration coordinator.

A minimum of two weeks notice is appreciated if your child is withdrawing from the program. Please visit our website at www.oswegolandparkdistrict.org and click on the Request Schedule Change link. A minimum of two weeks notice is appreciated if your child is withdrawing from the program.

We understand that busy families have changing schedules, but while our program does not allow swapping days, we do allow extra attendance days. We will accommodate your first participation adjustment request at no charge. Due to administrative costs, a $15 charge will be assessed for each participation adjustment for the remainder of the school year.
Kid's Connection is a monthly billing program. You will be billed at the beginning of the month for the actual days your child is registered within that month.

The first Kid’s Connection payment is due on or before **August 1, 2019**. Subsequent payments are due on the first day of the month, September 2019 through May 2020. You may complete an Auto-Charge Authorization Form that allows the Park District to charge your payments on the due date to your credit card or you may complete an Electronic Funds Transfer (EFT) form that allows the Park District to withdraw payments from your checking account on the due date. These payment methods can protect you from the additional cost of late fees.

If you do not choose Auto-Charge or EFT, you are responsible for making your payment on the due date. Bills will not be mailed. If you have provided us with an email address, a reminder will be sent five days prior to the due date. We are unable to accept installment payments at your child’s site. Payments are accepted at Park District offices, by mail, or by phone at 630.554.1010.

**LATE PAYMENTS**

Payments received six or more days after the due date will incur a $25 late fee that will be charged to your account.

If you cannot make a payment on time, you can avoid the $25 late fee by contacting the Park District’s billing department prior to the scheduled due date. You will be asked to make an alternate payment plan, and if that plan is honored, the late fee will not be charged. When a scheduled payment has not been received by the date it is due, and you have not contacted the billing department to make an alternate payment plan, your child’s attendance at Kid’s Connection may be disrupted. The third time your account is paid late, auto charge payments will be required.

**DEPENDENT CARE RECEIPTS**

Receipts can be accessed online at [apm.activecommunities.com/oswegolandparks](apm.activecommunities.com/oswegolandparks).

If you have questions or concerns about your payments, contact the billing coordinator at slipnick@oswegolandpd.org or 630.554.4443.

---

There is a limited scholarship fund available through the Oswegoland Park District. If you wish to apply, we can supply you with the appropriate paperwork. Completed applications along with required documents can be emailed to ckeilson@oswegolandpd.org.
It is recommended that you have alternate pick up arrangements in the event you are running later than 6:15pm. It is important that your contact information is updated as needed, as well as the information for your emergency contacts. Late fees will be assessed beginning at 6:16pm.

- A $10 late fee will be charged the first two times you are late picking up. $5 will be charged for each additional 5 minute period after.
- A $15 late fee will be charged the third time you are late picking up. $5 will be charged for each additional 5 minute period after.
- If you are late four or more times, the initial late fee charge will increase $5 for each late pick up for the remainder of the school year. $5 will be charged for each additional 5 minute period after.

Payment is due the evening the late pick up occurs. You will be asked to sign a form and complete payment by check (made out to Oswegoland Park District) or cash to South Point. If you pay by check, we will ask to see your driver’s license and record the number on your check. Consistent late pickups may result in dismissal from the program.

Kid’s Connection staff will remain responsible for the child and their well-being until the parent or outside authorities arrive. Late pick up will only be discussed with the parent/guardian/emergency contact, never with the child.

If a child is not picked up by 7:00pm, and staff fails to reach parent or authorized person, we will seek the assistance of the local police department.

In a custody dispute where one parent is not allowed to pick up their child, the court documentation stating such must be provided at the time of registration or to a Kid’s Connection Coordinator at our South Point facility.
The Park District’s Satisfaction Guaranteed policy will be followed. Any time a refund is requested, up to ten days after the child’s last day, a refund equivalent to one week’s payment will be given.

Staff is trained in CPR, First Aid, and AED. If your child is injured and requires more than basic first aid, the following steps will be taken:

1. Call 911
2. Attempt to contact parent/guardian
3. Attempt to contact emergency person
4. If necessary, the injured child will be transported by ambulance to the local hospital. A Kid’s Connection staff member will stay with the child until a parent/guardian arrives.

The parent/guardian is responsible for all charges for emergency medical services rendered.

In inclement weather, Kid’s Connection closes with District 308. If school lets out early in the day due to bad weather, afternoon Kid’s Connection will be closed. Refunds will not be given for emergency school closings. These days are generally made up at the end of the year. The Oswegoland Park District will share announcements through ePact.
We depend on parents to assist us in maintaining a safe and healthy environment for all of our children. We reserve the right to send home any child who shows sign of illness. Anyone who becomes ill will be made comfortable until his/her parent can be notified and the student is picked up. Children may be sent home if they have any symptoms as listed below. In addition, a child must be free of all specified symptoms for at least 24 hours before he/she can return to Kid's Connection.

These symptoms are as follows:

- A fever of 100 degrees or more with no medication
- Vomiting within the previous 24-hour period
- Diarrhea within the previous 24-hour period (including recurring episodes of diarrhea at Kid's Connection)
- Heavy nasal discharge indicative of infection
- Constant cough or sore throat
- Skin rash
- Head lice
- Symptoms of a communicable disease

A doctor’s clearance may be requested before your child can return to Kid’s Connection.

If your child must receive prescription medication while at Kid's Connection, complete the Medical Authorization form. This form must be signed by the child’s physician and a parent/guardian. It must also by filled out and signed by a parent before over-the-counter medication can be administered. All medications must be in the original packaging with the child's name on it.
Children with severe allergies, such as allergies to bee stings, peanut products, dairy, etc., may be at risk of a serious allergic reaction while participating in a Park District program due to contact with, or ingestion of the allergen. The Oswegoland Park District cannot guarantee an allergen free environment, but with your cooperation we can create a safer environment and be better prepared to handle emergencies. The Park District will make reasonable, feasible, and practical accommodations to allow children with life-threatening allergies to participate in our programs. If your child has a life threatening allergy, we will need a completed allergy packet before your child can attend Kid’s Connection. The following forms, uploaded to ePact, and all medications must be on site before your child can attend Kid’s Connection:

- Authorization to Administer Medication
- Authorization for Treatment of Children with Life Threatening Allergies
- Release & Waiver of Liability for Administering Emergency Treatment to Children with Life Threatening Allergies

If training of staff is required, seven days from the time of enrollment to the first day of attendance is required to allow Park District staff time to make accommodations.

Oswegoland Park District does not provide insurance for participants. Please be sure that your personal or family policy is adequate for your needs.
It is the goal of Kid’s Connection to provide each child with an environment that is safe, secure, nurturing, and enjoyable. To meet this goal, the staff will help every child exhibit qualities and characteristics that lead to a positive environment. Participants will be expected to treat the other children, staff, facilities, and materials with respect through their words and actions. They are encouraged to demonstrate trustworthiness by being honest and doing the right thing; good citizenship by helping to better the community and the environment; accountability by being responsible for their actions and choices. The children are expected to treat others with care and kindness, and to use appropriate language at all times. Kid’s Connection follows the Oswegoland Park District and District 308 behavior guidelines. The following behaviors are considered unacceptable:

1. Harming oneself, such as, but not limited to:
   - Leaving the program boundaries without permission
   - Leaving the designated group without permission
   - Misuse of equipment
   - Failing to follow verbal instructions meant to ensure safety

2. Harming others, such as, but not limited to:
   - Fighting
   - Throwing objects at or near others
   - Bringing or using weapons, i.e., knives, glass, sharp objects
   - Hitting, spitting, biting, or kicking others
   - Verbally abusing others, i.e., name calling, taunting, etc.
   - Using inappropriate language
   - Verbally or non-verbally showing disrespect

3. Damage to property, such as, but not limited to:
   - Vandalism
   - Tantrums resulting in damage to property or materials
   - Theft

NOTE: The child’s family is responsible for all damages.
We believe the role of our staff is to help lead children toward self-discipline and self-direction. We use breaks as a means of calming the child, allowing the child to gain control of him/herself in a dignified and thoughtful manner. Behaviors that endanger the safety and security of the child or others may result in skipped steps or immediate and/or permanent suspension from the Kid's Connection program. If suspension is warranted, a parent/guardian will be called to pick up their child immediately. If unacceptable behavior continues, we will take the following actions in this order:

1st Offense
- Verbal warning
- Talk with the parent/guardian

2nd Offense
- The staff will complete a Kid's Connection Behavior Log Form
- The staff will talk with the parent/guardian and have them sign the Behavior Log Form
- As appropriate, privileges related to the behavior will be removed

3rd Offense
- The staff will complete a Kid's Connection Incident Report
- Meet with parent/guardian to discuss and sign the Incident Report
- Depending on the severity of the behavior, a behavior plan may be implemented
- As appropriate, privileges related to the behavior will be removed
- The child may be suspended for an amount of time reflecting the seriousness of the behavior

4th Offense
- If the same or similar behavior reoccurs, an Incident Report will be completed by staff and the child will be removed from the Kid’s Connection program for the remainder of the school year.

When a child has a pattern of unacceptable behavior, the staff will work with the parents, and if necessary, a professional clinician on a plan for helping the child to develop self-control. We may use the resources of Fox Valley Special Recreation Association (FVSRA) for assistance in observing and suggesting methods of behavior management for the child. Parents will be notified before someone from FVSRA is called in to observe their child.
