Summer Camp Connection
@ OSWEGOLAND PARK DISTRICT

2020 PARENT HANDBOOK
Dear Parents,

We welcome you to Camp Connection 2020! Summer is here once again and we are excited to get to know your child and provide a safe and fun atmosphere. The Oswegoland Park District is offering this summer recreational program to provide children with the opportunity to discover, learn, play and explore through engaging and enriching summer activities while adhering to social distancing guidelines. We have an amazing crew of wonderful, skilled, trained staff just waiting to start our summer adventure together.

Camp Connection is accredited through the American Camping Association, who along with the Oswegoland Park District, are partners in enriching the lives of our participants through this camp experience. Our goal is to fill your child’s summer with engaging activities and encourage an active lifestyle. Your child will have the opportunity to visit local parks (Phase 4), engage in science activities, small group games, create awesome art or enjoy quiet time reading a book. We’re sure your child will make some new friends along the way too!

Please carefully read through this handbook, which will assist you preparing for a camp experience, as there are many changes in protocol this summer due to the guidelines the State has issued. Should you have any additional questions, please feel free to reach out to one of the coordinators below.

Thank you for choosing Summer Camp Connection. Our entire staff is excited to have you join our summertime fun.

Camp Connection is committed to providing a safe, nurturing environment where children can develop their natural joy and enthusiasm for learning, exploring through play, and enjoying the great outdoors.

Professional staff will plan a variety of activities, on site and around town, that will provide opportunities for children to learn about themselves and the world around them. Each site is individualized to meet the needs of the campers enrolled. Camp Connection is:

- a place where creativity and expression are encouraged
- a program in which teamwork and social interaction are the basics
- a community where the courage to try is celebrated and the desire to succeed is supported
- an opportunity for children to grow through accomplishment and respect

Our focus on relationships and providing children with opportunities to learn, grow and discover themselves is at the heart of the Camp Connection philosophy. Our attitude and approach to everything we do at camp focuses on creating a warm, welcoming environment in which kids can be themselves without fear of judgment and in which each child belongs. Our child-centered philosophy creates a supportive atmosphere where campers develop skills and values to last a lifetime.

We call it a child-centered program; the campers call it the best summer ever!

For over fifty years the American Camp Association (ACA) accreditation process has grown to keep pace with changes in the camp industry and the expectations of the public. The Oswegoland Park District has earned this honor.

ePact
Oswegoland Park District uses of ePact, an online emergency network, where you can securely add, manage, and share your child’s key health and emergency contact details with us. This replaces the traditional Health and Emergency forms.

After you register, you’ll receive an email invitation within 24 hours that will guide you on how to set up your account and share your child’s information. This must be completed before your child can begin the program. If your child has previously participated in the program, they will already have an account and you will receive a reconfirmation email. Please review and confirm that the information is up to date. Please contact the Registration Coordinator at 630.554.4064 if you have any questions.
Camp Connection fees will be determined based on the total number of days you register for within each session. Fees are due seven days prior to the beginning of each session.

Camp Connection Daily Fee: $56
If you do not choose Auto-Charge or EFT, you are responsible for making your payment on or before the due date. Bills will not be mailed, but may be viewed through your ActiveNet account. If you provided an email address, a reminder will be sent five days prior to the due date. We cannot accept session payments at your child’s site.

Payments can be made on-line, mail or by phone 630.554.4443. Payments not received on the due date will incur a $25 late fee that will be charged to your account.

Late Payments
If you cannot make a payment on time you can avoid the late fee by contacting the Park Districts’ billing department prior to the scheduled due date. You will be asked to make an alternative payment plan, and if that plan is honored, the late fee will not be charged. When a scheduled payment has not been received by the due date and you have not contacted the billing department to make an alternative payment plan your child’s attendance at Camp Connection may be disrupted. The third time your account is past due, auto-charge will be required to continue in the program.

If you have questions or concerns about your payments, call the registration coordinator at 630.554.4064.

If your child will be absent and it is unplanned, please notify us by calling your Camp Connection site. Please notify the staff in advance of all planned absences. No credits are issued for absences or vacations.
LATE PICKUPS

Because we understand that emergencies occur, it is recommended that you have alternate pick up arrangements in the event you are running later than 6:15pm. Late fees are assessed at 6:16pm. Charges will be placed on your family ActiveNet account.

- A $15 late fee may be assessed from 6:16-6:30pm.
- A $30 late fee may be assessed after 6:30pm.

The parent/guardian will be asked to sign a form acknowledging the late pick up. The late fee will be added to the family ActiveNet account and can be paid online. Consistent late pickups may result in the dismissal from the program.

*If a child is not picked up by 7:00pm, and staff fails to reach a parent or authorized person, we will seek the assistance of the local police department.*

FVSRA

The Oswegoland Park District is a member of the Fox Valley Special Recreation Association (FVSRA). FVSRA provides recreational opportunities for children with mental, physical, or emotional disabilities. In partnership with FVSRA, our staff will make every effort to provide children with disabilities the accommodations they require to participate in our program. In many situations, FVSRA will provide a companion who will give one-on-one support to the person participating. Please indicate any special needs under the medical portion of the registration form. While FVSRA will do their best to secure a companion as quickly as possible, it may take up to two weeks. For more information about FVSRA, visit FVSRA.org or contact the Oswegoland Park District.

INJURIES

All sites have staff who are trained in CPR and First Aid. All steps will be taken to assure the safety and welfare of your child. If your child is injured and requires more than basic first aid, the Camp Connection staff will take the following steps:

1. Call 911
2. Attempt to contact parent/guardian
3. Attempt to contact emergency contact
4. If necessary, the injured child will be transported by ambulance to the local hospital. A Camp Connection staff member will stay with the child until a parent/guardian arrives.

The parent/guardian will be responsible for all charges for emergency medical services rendered.
We depend on parents to assist us in maintaining a safe and healthy environment for all of the children. We reserve the right to send home any camper that exhibit signs of illness. Any camper that becomes ill will be isolated and made comfortable until his/her guardian can be notified and the child is picked up. Children may be sent home if they have any specific symptoms as listed below. In addition, a child must be free of all these specified symptoms for at least 72 hours before returning to Camp Connection.

These symptoms are as follows:

- A fever of 100 degrees or more with no medication
- Vomiting within the previous 24-hour period
- Diarrhea within previous 24-hours (including recurring episodes of diarrhea at camp)
- A heavy nasal discharge indicative of infection
- A constant cough or sore throat
- A skin rash
- Head lice
- Symptoms of a communicable disease

Signs or symptoms of COVID-19

- Fever over 100.4
- Cough, not allergy related
- Difficulty breathing or shortness of breath
- Unusual fatigue

If participant does contract COVID-19, they should remain isolated at home for a minimum of 10 days after symptom onset and can be released after feverless and feeling well (without fever-reducing medication) for at least 72 hours or has 2 negative COVID-19 tests in a row, with testing done at least 24 hours apart. A doctor’s clearance may be requested before your child can return to Camp Connection.

If your child must receive prescription medication while at Camp Connection, please download and fill out the “Medication Authorization” form on ePact. This form must be signed by the child’s physician and a parent/guardian. Over the counter medications do not require a doctor’s signature but a release form must be signed by the parent/guardian before they can be administered. All medications must be in the original packaging with the child’s name on it.
SUNSCREEN

Sunburn is a concern during the summer. Since we spend so much of our day outdoors, we recommend that you apply sunscreen before you bring your child in the morning. We also ask that you send a bottle of sunscreen to Camp Connection so that your child can reapply as necessary throughout the day. We recommend a sunscreen stick as a great way to apply sunscreen to cheeks and noses. Our staff will be able to help with the application only if you provide a spray sunscreen.

WEATHER PRECAUTIONS

Watching the weather is part of the Camp Connection staff’s job. Weather changes require the staff to monitor the health and safety of the participants. Activities will be planned based on the weather conditions for the day as determined by the National Weather Service:

- **Green Day:** Heat index 80 degrees or below. Activities go on as planned.
- **Yellow Day:** Heat index 90 degrees. Time outdoors will be monitored closely.
- **Red Day:** Heat index 100 degrees or above. Outdoor play and field trips may need to be limited and allow for an indoor break if needed.

SEVERE ALLERGIES

Children with severe allergies, such as allergies to bee stings, peanut products, dairy, etc., may be at risk of a severe allergic reaction while participating in a Park District program due to contact with, or ingestion of the allergen. The Oswegoland Park District cannot guarantee an allergen free environment, but with your cooperation, we can create a safer environment and be better prepared to handle emergencies. The Park District will make reasonable, feasible, and practical accommodations to allow children with life-threatening allergies to participate in our programs. The following forms and all medications must be completed and up on ePact before your child can attend the Camp Connection program:

- Oswegoland Park District’s Policy for Enrolling a Child with Life Threatening Allergies
- Authorization to Administer Medication
- Authorization for Treatment of Children with Life Threatening Allergies
- Release & Waiver of Liability for Administering Emergency Treatment of Children with Life Threatening Allergies

If training of staff is required, seven days from the time of enrollment to the first day of attendance is required to allow Park District staff time to make accommodations.
CODE OF CONDUCT

It is the goal of the Camp Connection program to provide each child with an environment that is safe, nurturing, and enjoyable. To meet this goal, the staff will help every child exhibit qualities and characteristics that lead to a positive environment. Camp Connection participants will be expected to treat the other children, staff, facilities, and materials with respect through their words and actions. The children are encouraged to show trustworthiness by being honest and doing the right thing. They must use appropriate language at all times. The children must be responsible for their actions and choices. They are asked to be kind, caring, and fair to themselves, others, and their environment. Participants should show citizenship by helping better the community and environment. Camp Connection follows the Oswegoland Park District and School District 308 behavior guidelines. DISCIPLINE PROCEDURES

We believe that the role of our staff is to help lead children toward self-discipline and self-direction. We will redirect your child from the situation as a means of calming the child, and allowing the child to gain control of him/herself in a dignified and thoughtful manner. Behaviors which endanger the safety and security of the child or others may result in skipped steps or immediate and/or permanent suspension from the Camp Connection program. If suspension is warranted, a parent/guardian will be called to pick up their child immediately.

- Verbal Warning
