

Dance Class Information

Welcome to the Oswegoland Park District's Fall Session!

Dance class information is as follows:

Before/After Class – Students should arrive for class on time, in proper dance attire, and wait to be called in by their instructor. Students should enter the class through the emergency exits of each room. Parents will be invited by their child's instructor to come into class and see their child's progression at the end of the session. Remaining in the classroom can be a distraction to the dancers (with the exceptions of Baby Ballet and Wiggle Worms). We ask that all parents use before/after class time to speak with their child's instructor about individual progress.

In Class – We recommend all participants and guests to follow CDC mask guidance: If you are not full vaccinated and aged two or older, you should wear a mask inside Park district facilities. We ask that students do not bring cell phones or any other electronic devices into the classroom.

Attendance – Attendance is essential for the progress of the dancer and the class as a whole. When students are absent it affects the entire class and any choreography taught. The Park District does not offer make-ups for missed classes. The instructor should be notified in advance of any absences. In order for any absence to be excused the instructor should be notified in advance. Three unexcused absences may result in your dancer being removed from the dance under the discretion of the Recreation Supervisor and dance instructor. If your dancer will not be participating in the recital, please let the instructor know as soon as possible.

Dress – Dress code for class differs by discipline. Please see the "Dance Attire" information on the Park District website.

"No Dates" – Due to holidays, dance classes will not meet on the following dates this session:

- **October 31 (Halloween)**
- **November 24 – 28 (Thanksgiving)**

Progression – Before the end of the session your child will receive an evaluation of their progress and an instructor's recommendation for future classes. The Park District requires dancers to complete at least three consecutive sessions before moving to the next level of that dance style. If the class recommended is not offered or does not work with your schedule, please repeat the same level to reinforce skills.

Private Dance Lessons – Private Dance Lessons are offered for children and adults who would benefit from personal attention from an experienced dance instructor. Lessons may focus on a specific form of dance or skill, and are tailored around individual abilities and goals. If interested, please call Rockie Veverka at 630.554.4478.

If you have any questions please contact,

Rockie Veverka
