HOW TO APPLY TO BECOME A VENDOR

Vendors who want to participate in the 2023 Oswego Country Market should:

1. Read Rules and Regulations to determine:
 - Is your product or service an eligible fit for the market?
 - Can you comply with all requirements?
2. *If yes...*submit all required forms and payments:
 - Signed Vendor Application and payment** (required)
 - Certificate of Liability Insurance**, naming the Oswegoland Park District as additional insured (required of ALL vendors upon acceptance, prior to attending the market)
 - Health Department Permit** (required of all applicable vendors upon acceptance, prior to attending the market)
 - In-Install Parking Permit Application and payment (optional)

VENDOR SELECTION PROCESS

Selection of vendors will be based on the quality of the product offered, the vendor's history with the market, the perceived customer demand, and the locale of the vendor's business. No vendor should expect to be exclusive, as our customers expect diversity and choices as the market grows.

1. Applications are submitted by potential vendors (returning and new)
2. After the Early Bird Deadline (April 1) the market team will go through applications.
 - a. Vendors who are accepted will be notified & payments will be processed.
 - b. Vendors who are not accepted will be notified and payments will NOT be processed.
 - c. Vendors who are not yet accepted or declined will remain "on the bubble." These vendors will remain in the mix of potential vendors until no later than May 15th when a final decision of accepted vendors will be made.

SNAP/LINK

We are working with a grant program to be able to accept SNAP/Link at the market this season. Vendors of eligible food products will be expected to accept the SNAP tokens at our market, and the market will reimburse vendors monthly.

INSURANCE

Vendors must provide proof of comprehensive public liability insurance *naming the Oswegoland Park District as additional insured*. Your policy must include minimum policy limits of one million dollars (\$1,000,000) for bodily injury or death, and products liability to one or more persons in any one accident or event, and fifty thousand (\$50,000) for damage to property resulting from any one accident or event.

HEALTH DEPARTMENT REQUIREMENTS

All applicable vendors are required to comply with the Kendall County Health Department regulations. Vendors are responsible for contacting the health department and obtaining required permits. Vendors must provide a copy of the Kendall County Health Department permit to the Market Manager prior to selling at the market. The Oswegoland Park District hosts a successful market thanks to our great group of vendors.
