In the case of vendors selling the same product, the Market Manager will make the decision regarding how many vendors of the same product will participate in the market. Selection of vendors will be based on the quality of the product offered, the vendor's history with the market, the perceived customer demand, and the locale of the vendor's business. No vendor should expect to be exclusive, as our customers expect diversity & choices as the market grows. All vendor applications are subject to approval by a representative of the Oswegoland Park District.

New vendors with arts, crafts, and home-based businesses will need to submit a picture of their work and/or product (or a link to a website or digital presence) to the Market Manager for review. Items/services deemed not to be in keeping with and/or appropriate for the Oswego Country Market will be turned down. Space is limited, therefore the number of arts and crafts vendors, as well as at home businesses and artisans permitted will be limited.
